### Attention Parents:

We are so excited to announce that we are going to be offering a Summer Program starting in June. Here are just a few questions that will be answered by our Children attending the Summer Fun at the Treehouse:

- Can you make a rocket fly out of water?
- Can you fit inside a bubble!
- Can you actually make a sprinklers look like a roller coaster?
- Can you learn how to make healthy snack that taste YUMMY!
- Is there a place where I can paint on the wall?
- Is there a place where I can listen to an amazing story teller?
- Is there a place where I can go and learn some new praise songs?
- Is there a place where I can learn Spanish?

We will be answering the above questions and many more this summer. We will be seeing, tasting, touching, smelling, and hearing how God created an amazing world for us to explore.

The summer program will take place in two 3 week sessions. First session runs from June 16<sup>th</sup> – July 1<sup>st</sup>. Second session runs from July 14<sup>th</sup> – July 29<sup>th</sup>. All classes will be 2 days a week (Wednesday and Thursday) 9:30 – 1:30 and early and late care will not be offered. We will have classes for ages 1 through rising 1<sup>st</sup> graders. Cost is \$135.00 per session with a non-refundable Commitment/Supply Fee of \$35.00 per child.

Both sessions will have the following themes:

Week 1: Summer Fun with Bubbles and Water.

Week 2: Animals and their Habitat. How God made Me and My World.

Week3: Sports, Nutrition, and Cooking.

At the beginning of each day we will have a whole group time of praise and worship with all the Treehouse Campers. **Each session will have different activities** that will help develop a deeper understanding for each theme. Also, each session will have a time where the children will be learning Spanish. Again, thank you for allowing us to spend time with your precious gift that God gave you. We truly enjoy spending time with your little ones. Please contact us if you have any questions. Can you tell that we are excited about this summer? We are going to have so much FUN!
