

*On behalf of Community Church I would ask that you would accept and pass on to everyone else at Oak Mtn our sincere thanks for all the help, assistance, and love we have received from OMPC. It's both humbling and a privilege to be on the receiving end of such service and ministry. (It's also a tad frustrating ... just when we were feeling all self-righteous about helping others in need, we had to accept that we had needs of our own that only others could help us with; so I guess we'll just have to fall back on the righteousness of Jesus. Y'all helped once again point us to the sufficiency of Christ alone - and for that, most of all, we give you thanks!)*

*It's one thing to come out on a Saturday to cut trees and pick up limbs, but feeding us supper last night was simply extravagant ... our people have been talking about it all day! We haven't yet told our people of the gift that was handed to me last night. That is an unbelievable display of generosity and mercy that can only be explained by the Gospel of Jesus. We intend to give Him all the glory and honor for all that has happened. We will announce the gift to the congregation this coming Sunday.*

*Again, please pass on to all those involved in serving us over the past week our gratitude. We look forward to working together during the long haul of making God's invisible Kingdom visible.*
